GalArvon

In June of this year Arvon was diagnosed with APL, a form of Leukemia. She has been in Vancouver since that time receiving treatment.

It is our hope that by holding this benefit we can raise enough resources to both contribute to the financial burden that this devastating disease has placed upon Arvon and to the Canadian Cancer Society whose mission is to eradicate cancer & enhance the quality of life for all people living with this disease.

Tickets are \$20 and can be accessed through the NTG website or by calling 250 7587224. They will also be on sale at the Nanaimo Museum.

Any donations for the silent auction would be greatly appreciated. Please contact Cathy Fowler @ 250 751 3656 or [c.fowler@shaw.ca](mailto:c.fowler@shaw.ca) for silent auction inquiries.

Thank you for your support,

Sincerely,

The GalArvon Committee
